

August 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We thank the Lord for your wonderful prayers, love and support for the time that you have been alongside us as we serve here in Eastern Europe and other nations. By the Grace of God, with your continued help we can make a difference for the Glory of the Lord in helping people and seeing those who are in great need. May the Lord continue to greatly bless you.

As we travel here through the land of Romania we continue to have great opportunities to minister among the gypsies and we see a people group who are forgotten, persecuted and looked down upon. The Lord has helped us to be close to them in a house church (above) and as you can see in the picture, it's just like during the time the apostles went from house to house preaching the Good News of Jesus Christ. We thank the Lord that He has enabled us to go to this village working alongside with the national missionary Brother Banu where we are able to share the Gospel and encourage the saints which have made the decision to follow Him and others to live a Holy life and to be prepared before the coming of the Lord. ***Not only did we pray for the sick and those who made the decision but also had the opportunity to dedicate a precious baby (below) at the house church and pray for the parents.***

What a great blessing to follow the footsteps of the Lord Jesus Christ and what a privilege. Please pray for this precious people group as much is needed to continue to train, meet their needs and make a difference for the Glory of the Lord. We thank God for the privilege to be partnered with you in this direction. Please also pray that they will continue to be touched by the power of the Holy Spirit and the Word of God to remain in their hearts.

We continued our travels in Romania by the grace of God and the Lord helped us to go to a village and visit a young couple, Daniel and Andriana (above) who have two children, Mateo, who is close to two years old with muscular dystrophy and the youngest named Abel who is 3 months old. They moved to this village to be able to continue the work of the Lord where no church has been planted and no other believers. They encountered great persecution from the Orthodox priest and from the people over there and were considered to be a sect (cult). Please continue to pray

for them and that the Lord would help us to meet their needs. ***They live in one room of a home where the other room is used as a home church,*** so they have a great need to have an extension room. We pray that the Lord would help us with \$5000 to be able to minister and encourage them. You can see that they

have a greenhouse (above) to be self-sustaining and to feed themselves. They live off of the land and this young brother is also doing some work in construction. What a blessing to be able to continue to minister to them and to be a good example. ***We appreciate your prayers for their children and that the Lord would touch them.*** We pray that the Lord would help us to make a difference from village to village.

As we traveled through the Republic of Moldova and visited the town of Izereni, by the grace of God a great move of God has started in this house church. Sometimes they do not have enough room to meet, so they have begun a foundation for a new church and the Lord has helped us to supply some blocks to finish it.

We appreciate it that you continue to help us to make a difference in this town where people are

hungry for the Word. With the Lord's help they will need around \$10,000 to finish the roof. Construction materials such as wood and steel have increased so much just as it has in the states that we do not know how some projects will be finished, but we continue to pray that the Lord would help us to make a difference. We so appreciate your prayers for them to continue to build for the Glory of the Lord.

What a great blessing to share with you the pictures of our two youngest boys, Daniel and Timotei as well as our 7th grandchild from our youngest daughter Lia (above). Our hearts are full and we are so very thankful and pray that the Lord will help us to continue work on our house as progress is still needed until it is finished.

We are so very thankful to all of you for your friendship and support in helping us build this family home which will be a blessing to our children and grandchildren. It will also be a blessing to others that we minister to and share our home with those who come to visit us. We send our love and appreciation from our family to your families as we can see the coming of the Lord Jesus Christ very soon. We want to encourage and share with you how your faithfulness and blessings continue to make a difference. Thank you so very much from the bottom of our hearts!

May the Lord bless you abundantly in Him!

Love in Christ,

Ghiorghi, Cristina, Daniel and Timotei Cazacu
