

August 2018

Greetings in the Name of the Lord Jesus Christ:

Currently we are traveling in the United States visiting old and new friends and we can't help but be humbled and so appreciative of your kindness and generosity. Your continued love, prayer and support for what the Lord is doing in Eastern Europe and beyond is what helps us to remain focused on the desperate needs of so many who are lost and hurting because of extreme poverty.

We so very wish that we could see all of you during our stay here and if we do not, we invite you to join us on the mission field back in Romania.

Our partners continue to contribute towards providing the widows in Sculeni and others with wood and coal for the winter months so they can heat their humble homes and cook their food. Just before we left we had another opportunity to visit Sister Ana that so many of you have had the privilege to meet.

She expressed to us that she had shared with the Lord that if she received wood again for the winter, she would have the privilege of living another year

and if she did not, she would be called home. This touched our hearts greatly that this need would affect her in this way. She is so very thankful to our partners who provide for her each year. The cost for wood for the winter is less expensive to purchase during the summer and is \$600 per household.

Because of your faithful and sacrificial support through the years, so many lives have been touched, changed and restored through the work of the Holy Spirit and the Good News of the Gospel of Jesus Christ. National Missionary families have been

assisted so they can focus on the will of the Lord and help others, whether it is financially or in discipleship. Your love for them and your precious giving has also helped national missionary Ion Leca's daughter to have straighter legs for a better life (above). They are so very thankful and appreciative for your continued help.

God's Word continues to be put into the hands of new converts and those who desire to know Him. ***We are so thankful for those who contribute for bibles which are \$8 each.***

Countless churches have been planted throughout Eastern Europe and beyond as national missionaries reach out to towns and villages where there are no other evangelical works. The church plant in Iasi continues to grow (below).

Many gypsy communities are seeing revival take place in Romania with some in need of larger facilities. (below)

We continue to help the orphans at various orphanages throughout Moldova, especially the Cornesti Tuberculosis Recovery Orphanage in Cornesti, Moldova. They receive assistance with

food, winter boots, summer shoes, school supplies, unconditional love and the Good News of the Lord Jesus Christ. **Please pray that the Lord would provide the \$20 per**

each child (75 children) for the upcoming school year's supplies, such as paper and pencils.

As you send your children or grandchildren back to school would you please consider praying that we can make a difference in the lives of the children in the gypsy communities, where the needs are so great. Many children cannot go to school even if they have the desire because they do not have backpacks, school supplies or even in some instances, uniforms.

Our heart's desire is that they can learn to read God's Word, which will be the most impactful for them to come out of poverty. For \$50 we could include the backpack, school supplies and even uniforms if necessary. **When you invest in the life of a child you change their future and we appreciate you being a part of this.**

There are so many other areas in which you have been a part, such as the Rehabilitation Centers where those who have an addiction to alcohol or drugs can come and be changed by the power of the Holy Spirit and learn to live productive lives. Orphans have been placed in the Homes of Hope where they receive the love of a mother and father and learn life skills in Moldova, Transnistria and India.

All of this is possible because of you, our partners so we would like to invite you to join me, Cristina, our two youngest sons, Daniel and Timotei at the upcoming celebration banquet. **It will be held on Friday, August 31st at the Life Banquet Center, 4180 Smelting Works Rd., Swansea IL beginning at 6:30 pm.** A dinner buffet will be served at 7:00 pm. Please be sure to RSVP by August 23rd. You can receive more information or RSVP by calling the office (618) 239-0215, visiting our website (gmii.org) or by emailing gmiius@sbcglobal.net. We are so excited to be able to see some of you there!

May the Lord Jesus Christ bless all of you abundantly in Him and return a hundredfold that which you sow into His Kingdom.

Love in Christ

Ghiorghi, Cristina, Daniel and Timotei Cazacu
