

December 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

Another year has passed by filled with challenges and difficulties but we want to say thank you to the Lord for His goodness and mercy towards us. The things that we have done are not accomplished without your continued prayers, love and support and all is done for the glory and honor of the Lord Jesus Christ. Again, we thank you and may the Lord bless you!

By the Grace of God, we had the opportunity to travel in Romania where we were invited to speak at the Toflea church. What a great blessing to see the fruitfulness of our labors among our brothers and sisters in Christ. A number of people came to the Lord as we ministered the Word of God for renewing their salvation and some for the first time made the commitment to follow Him and the Lord graciously touched them with the healing power of Jesus Christ. It has been a great privilege to see the fruit and to see the saints and encourage them with a message from 1 Peter 4:7, which says ***“The end of all things is at hand.”*** We pray with the Lord’s help that we will try to view the situations that we live in and assess everything so that we will be faithful and fruitful for the coming of the Lord Jesus Christ.

The Lord has blessed us to even travel once again to the Republic of Moldova in the city of Chisinau to meet with our Messianic Jewish brothers. What a great honor to be able to go and minister to them again and bring help to them. ***They were able to purchase medication, pay the electric bills and heat for the coming winter months.*** Words cannot describe the thankfulness of the people and the leaders that serve there. It has been a great blessing as we shared the

Gospel with them where many newcomers made the commitment to follow Yeshua.

We are so very thankful to our friends in the states who support the work of the ministry for the Jewish people and we consider it a great privilege not only to pray for them, the peace of Jerusalem and to bless the nation of Israel but we need to be involved with our resources of the ministry to bless them. We do believe that this ministry is blessed because of the love for the Jewish people and because we help them. Richard Wurmbrand was the first to touch my life when he laid hands on me and prayed when we first started into ministry and was a Jewish man who suffered 14 years for the Gospel in a prison in Romania. What a privilege and honor to know men like him. We thank God for this and we ask you to continue praying for every Jewish person to know Yeshua and to be saved. May God bless them!

From there we were able to travel to Bender Transnistria to visit with Pastor Anatol Gurgurov whom we have a special relationship with and served alongside for the last 14 or 15 years. We have been able to be part of his ministry and share the Word of God countless times at his church (above), in the Home of Hope and the rehabilitation that he oversees.

One of the greatest blessings is to see one of his oldest sons, Edic, getting married and to be part of this event in his life. Pastor Anatol and his wife have raised up 13 children in this Home of Hope which is a great blessing as well to see the fruit of this work, when so long ago they asked us how we were involved in adopting children in our own "Home of Hope". We let them know that we give all the glory to the Lord Jesus Christ because it was only through Him that all of this was possible. We want to say thank you to all of you who have also had a part in this and your continued help. They have taken in four more little young ones and we are now seeing the second generation because they also have their grandchildren. **We have so much thankfulness towards all of you who continue caring for the orphans, widows and rehabilitation centers and help us to make a difference in their lives.**

Even further away from Romania in the country of India, we are so very thankful to the family of Jameson Titus (Christ for India) who introduced us to the work of the ministry there. Recently we held our second online seminar in India (above and below) and were able to encourage the pastors that are working in the field as we now help 20 pastors there financially.

Now we are working alongside two churches there one helping to build the foundation and the other with putting on a roof. We thank our precious partners who have helped us to make a difference. And now we pray with the Lord's help to start the second Home of Hope soon.

Because of friends like you this is all happening. This is not the time to retreat but the time to believe and to act as we see the signs of the coming of the Lord very soon. We pray that we will become more faithful and fruitful and be found this way at His coming. We are very thankful for all of you as we approach the holidays and want to say thank you so very much from the bottom of our hearts from our family (above) to your families for being alongside us. We pray that we will have a period of time left before His coming that He will find us doing the work of the ministry. To all the faithful partners we want to say happy New Year and may the Lord Jesus Christ bless you! **We pray that all of our loved ones will be saved, healed, delivered and part of the Kingdom of God even during these difficult times.** We pray blessings for all of you!

Love in Christ
