Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We thank you all for your continued prayer, support and blessing that you are for the people of Eastern Europe and in helping us to continue to be able to share the Gospel. We would like to share with you the fruits of our laboring together, encouraging you, as the return of the Lord Jesus Christ is coming soon. As we witness the troubling events taking place around the world, may the Lord help us to be faithful and fruitful at this time that is before us.

The Lord appoints us and enables us to continue to have the opportunity to go back to the churches that we have planted in various towns and villages. Recently we visited the village of Draguseni, Romania, together with a group of young people from the church here in Iasi for an evangelism meeting. **Watching the young people from church getting involved in ministry has been a great blessing.** It has been about four years since we

helped the church to be finished in Draguseni and we can see that it continues to move forward and is being blessed by the

Lord. Many of you have invested with your prayers and giving in this local church to be built and we can see that your investment has made a great difference. We had the chance to share the message to "be ready for the coming of the Lord Jesus Christ" and the urgency for the saints to be prepared. The church was encouraged to remain faithful even to the difficult times that will come. As it says in 1 Cor. 15:58, ***"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you that your labor in the Lord is not in vain."***

This is the town where our daughter Nicoleta and her husband Ciprian were married. In the picture you can see Cristina (left) is holding our precious grandson. We

thank God for being able to see them growing in the Lord and now expecting another child. Your prayers for them and Draguseni church are greatly appreciated.

As we visited the national missionary John Leca and his family in Puhoi, Rep. of Moldova, it was a great blessing to encourage them. We want to share an update on their daughter Corinna who

had the surgery on her leg. **You can see in the picture that the other leg will need surgery as well.** Please pray that the Lord would help us with the resources for her to have her 5th or 6th surgery in which they will need to break her leg and strengthen it just like the left leg. It will be a painful surgery, but we thank God that it will be worth to go through the

process and the major difference that it made on the other one. We also pray that the Lord would help us to be a part in building them a new house. There is a vital need to tear down their current house, which is cracked everywhere, falling apart and endangered of collapsing.

This was the house he grew up in that his grandparents built. They will tear it down and build a small house in the same spot. Would you please pray to be a part or to make a difference in the lives of this hard working family? We thank the Lord that he didn't leave the country to go and work but stayed to minister in the church and raise his family. We appreciate your prayers and any support for this family.

As we traveled to minister at various churches and villages, it was our heart's desire to be a blessing to the

children in Turbata, Romania. The Lord blessed us to once again be with national missionary Viorel Banu in this gypsy community where so many live in such great need. When we arrived the children rejoiced over the small gifts we had for them. **We are praying that the Lord would help us to hold**

a summer camp for these gypsy children, which number around 150. You can see the conditions that they live in and the obviously great needs. We appreciate that

We appreciate that you would continue to help us to be able to minister to all of these children who have no hope, that the Lord may give them a hope and a future.

We had the opportunity to travel and visit the widows in the Republic of Moldova and as we arrived at the home of Sister Ana to distribute gifts, Cristina learned

that she was walking in pain and needed care given to her feet. Most of the sisters are unable to bend over to do even the smallest task of cutting their toenails,

so Cristina had the opportunity to give them pedicures on this visit. What a blessing to help them in a practical way, simply in washing their feet. Please continue to

pray that the Lord would help us to purchase the wood for the winter, during this time of year when the wood prices are low. As we try to

prepare now for the winter, we appreciate and thank God for those who bless these widows each year to have enough wood to cook and heat their homes.

While in the area we were able to bless them with bibles and we would like to thank you for your continued help with resources to purchase the bibles

and to give them to those in the areas, which need them most. Those who receive the precious Word of God are so very thankful that you are a part of this ministry and we thank God for those who have a heart.

We are so thankful for once again having the opportunity to visit the orphans at the Cornesti Orphanage in Moldova, where we sang songs and ministered to their needs. We appreciate your

continued prayers that with summer coming, for us to be able to provide underwear, summer shoes and other needs. We greatly appreciate your hearts to make a difference in the lives of these children. **They are always**

so excited to see us when we visit and only need to be shown the love of Jesus.

We praise and thank God daily for you and encourage you dear friends to remain steadfast and victorious in the Lord Jesus Christ, keeping our eyes focused on only Him. Let us answer the call of the Lord during the end times harvest and pray for each other daily and for those who are lost and hurting. May the Lord Jesus Christ bless all of you abundantly in Him in all spiritual and physical blessings!

Love in Christ
