

June 2022

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

Thank you so much dear, brothers and sisters and everyone who has been praying, loving and supporting us for the work of the ministry here in these last days before the coming of the Lord Jesus Christ. Because of your help we are able to share these partial stories of what is taking place in Eastern Europe and we thank God for the opportunity.

For the last five weeks, we have been together as a family, myself, Cristina, Daniel and Timotei living in an area that has between 60 and 70,000 refugees and ministering to them. We so appreciate your financial help at this time that we can make a difference in the lives of those here as well as around the country. They are in need of food, diapers, water, medication, general supplies and all of this is made possible by friends like you.

By the Grace of God, we have the opportunity to minister from the youngest to the oldest families here. We met a beautiful gypsy couple (above) who were living in a former orphanage in Ukraine where **there are 240 refugees living and we were able to purchase breakfast for all of them for 30 days in advance and we thank God for your wonderful help.** We were drawn to this gypsy couple and tried to share a few words in their language, which they were so blessed to hear as we prayed for them and others there.

Among them was an older man named Valodia who is 72 years old pictured below. (l to r – Roman, Valodia, Myself and Ilusia, the Ukrainian translator who is also a missionary we have worked along side)

He shared how much he appreciated the help he received such as food and shelter that allowed him to sleep at night where he couldn't hear the bombing of Mariupol where he came from. Because of you we could make this possible together with the national missionaries that have a heart to help them.

We want to share with you how great a blessing it is that the help is so diverse. A pastor and his children came from the Donetsk area (above). His wife was pregnant and was supposed to have a c-section. With the Lord's help through you, we were able to help with the cost of the surgery. The baby (left) is healthy all because of your wonderful help.

You may be informed through the media of what is taking place but among the great needs and stories, we would like to share with you about a pastor who was transporting food to the refugees and learned of a believer with two children who was running from the Russians who were invading Ukraine. She was singing and praying to the Lord as the bullets were flying over her head. When she arrived on the side of the Ukrainian army, the soldiers asked where her husband was

because they **saw a fourth person walking along side** her and wanted to recruit him into the army. She said, *“there is no man, it’s only me and the two children.* We have been walking, crying, asking for God’s protection, singing and praying to the Lord.” We thank God, in the midst of that, we do not know if the Lord Almighty had angels walking with her, but His promise is that **“I will be with you even to the end of the ages”**. We want to share with you the uplifting stories which help us continue to move forward and to help all of these people in need. We do our part and God does His part. We so appreciate all of the pastors, individuals and all those who help to make these great differences and we thank you from the bottom of our hearts on behalf of those who cannot share.

father is in prison and their grandmother has terminal cancer which is the reason they were in the orphanage. No one in the whole village was able to take them in,

but this Christian couple (above) has taken them in as their own children. Please pray that the Lord would heal and deliver them from the past hurts and abuse they suffered and to give them a new beginning. We appreciate your help and prayers in this direction.

**Along with filling the great needs of food and supplies, we have also held evangelistic meetings in a former movie theatre.** On this evening (above) many people came to the Lord with desperate needs. Please continue to pray that the Lord would help us reach them. We were able to seat over 200 – 250 people but around 400 were in attendance. A great number made the decision to follow the Lord. Please pray that the Lord would help us provide bibles, baptize, disciple and help them grow in the Word of God. It is very difficult to provide bibles in these circumstances and so many do not have phones to download the Word but the Gospel is the most important to provide. May the Lord help us continue to minister to this precious people.

Because of the national missionaries that we work with, we want to share the wonderful news of celebration and dedication of a new church. One of our partners, Dr. C. R. Oliver helped GMI build and sponsor the third church in India in the last 8 months (left). Because of your support, love and prayer, some were remodeled and finished, but this one was from the ground up.

Please keep this in prayer as they go through many difficult times of increasing persecution. But we believe that with the Lord’s help, He is able to continue work there. We thank God for Pastor Joshua, Joel and the ministry as they were excited to share the good news that they were putting a GMI India Home of Hope charity trust in the local church. We greatly appreciate the partners who invest in the national missionaries and God’s help to make a difference in their lives fulfilling the need of the people to hear the Gospel.

We celebrated Easter in Moldova and was able to visit all of the partner churches and friends in the ministry. We stopped in Slobozia Mare to visit the bishop, brother Vitale and all of his family and new church plant (above). It was a great blessing to be involved. We were able to help at a new Home of Hope where two young ladies, 14 and 11 years old have been taken into the home of brother Valodia and sister Sylvia to raise them from the orphanage in Cornesti. They are in need of a bathroom with a shower, double beds and furniture. **We thank God that for \$3500 we can help them organize and make a difference for these young ladies to be raised in a Christian home and give them opportunities they would not otherwise have.** Their mother died, their

Dear friends and partners, we appreciate your prayer as we continue to travel and extend our stays in Ukraine to make a difference. As we see the soon coming of the Lord Jesus Christ may He help us to be faithful and fruitful. Thank you so much for helping with these great needs to provide food, clothing, clean water and medication for those in great need. Let’s welcome our Lord Jesus Christ as we see all of this taking place around the world. We do not know how much longer we will have to continue to make a difference as we have the opportunity now. We love you all and may the Lord bless you greatly!

Love in Christ,

**Ghiorghi, Cristina, Daniel and Timotei Cazacu**
