Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

What an honor and blessing to share with you a few things that the Lord is doing here in our part of the world because of your continued faithful prayer, love and financial support. All of you are enabling us to see these things come to pass. May the Lord be glorified through all of this.

We have a great opportunity in the city of Ploiesti, Romania, where we went to dedicate the new church (above) for the gypsy community which was purchased by the grace of God through our partners in the United States. ***We want to say thank you so much for this dream to become a reality for this group of gypsies where they have a place to worship and to glorify the Lord.*** What an honor and privilege to see the believers are gathering together for the glory of God. We want to say thank you to this special friend who helped to make this possible. We thank God and pray that the Lord will be glorified through all of this.

It's an honor to share with you that many years ago, when we moved back to Romania we started helping a gypsy family nearby the headquarters that were living in a hole. The Lord helped us to minister to this family where the mother and father received the Lord and were baptized. This young gypsy named Culita (bottom left with me) was at the time, 5 or 6 years old and was visiting, singing so beautifully we wanted to adopt him. We did not have any children besides Nicoleta, who we had in our care. From this family today, they have 11 children, many are married and have children themselves. I spoke with the father, brother Peter, and ***there are now around 25 people saved and serving the Lord from this family.*** Each time I visited; it was in my heart to have candy in my pocket to give to this young man (bottom left). When we live the dream and believe that all things are possible with God, we are so thankful that the Lord has helped us to see a small portion of the blessings He has for us. We thank God that it is because of you that lives can be changed and make a difference for eternity.

In the same city we visited a house church of another gypsy group that is growing in a wonderful way (above) and they have no place to meet comfortably. Please pray for us that the Lord would help us to make a difference and be able to purchase a piece of land and believing with them that God is able to help us. For \$10,000 we can purchase this land where the Lord would help us to bless this church that will further impact the community.

During the summer time the Lord has helped us to be a part of the summer camp in Slobozia Mare, Republic of Moldova where 170 children gathered together (above) in a wonderful way to hear the Gospel. **Many of them ended up bringing their parents during the Sunday morning service, where they heard the children for the first time singing and quoting bible verses.** We thank God that friends like you are helping us to make a difference in the lives of the younger generations during this challenging time around the world that we still have. May the Lord help us to continue to reach them with the Gospel and Good News of Jesus Christ.

With all of the things going on around the world, here in the town of Poinesti, Romania, people from the town of Lacul Babei were meeting together in the forest (above) where we are planting a church in this village. **It reminds us of the time when people had to congregate in the forest during the time of communism because they were not allowed to worship but continued to do so.** It seems to be that the circumstances are not far off from the current times in which we live. Please continue to pray for these new believers who came to the Lord to remain faithful and fruitful as they approach the next big step which would be for them to be baptized in water. Thank you so much for your continued prayers.

We recently visited Ciprian, Nicoleta and the grandchildren. As many of you know, Nicoleta has endured 43 surgeries, 12 in the United States and 31 in Romania. Now she is married and has 3 children, 2 boys and a girl. In the picture above, I am with them, Cristina and our youngest son Timotei who is a gypsy descendant. We thank the Lord for them, but please continue to pray that He would help them to remain faithful into the next generations.

We want to say thank you as we see all of the things that are going on around the world, and take this opportunity to pray for us all to remain faithful and fruitful.

Thank you so much for your prayers, love and support for helping us with our new family home in Romania (above). We thank God for all of you and pray for you, your families and extended church families. May the Lord help us to remain in the shadow of His wings as we see His soon coming and may He help us all to be prepared.

Love and prayers in Christ,

**Ghiorghi, Cristina, Daniel and Timotei Cazacu**
