

November 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We want to say thank you so much for your prayers support and love for helping us to continue making a difference here in Romania, Moldova, Transnistria and even with the Lord's help in India, by the grace of God.

What a great blessing we had by God's grace to travel through Romania and minister in the gypsy church of Munteni (above and below). We thank God we had been invited to be able to continue to encourage the precious saints there. At the same time, ***they reached out to us and asked if we could help in making a difference in this area and expand the church by building a balcony.***

They are seeing a revival among these precious people as you can see by their full church and we thank God for this opportunity. Please prayerfully consider helping us build this balcony which will cost about \$3500 to assist them in this direction. What a great blessing and investment this will be!

As we traveled further in these parts, we also ministered in the Ursita church. From this gypsy church they reached out to another group of people

with the Lord helping them to make a difference among them. These precious ones built a facility and they still need to finish the roof, windows, painting and even a stove to keep them warm in the winter. It was so humbling and an honor to hear that these special people suffer for the Gospel and we thank God that we have an opportunity to help them finish their church (below) which will take \$10000.

We thank you all so very much for praying along with us that the Lord Jesus Christ will provide for these persecuted gypsies.

***What an exciting time we are living in and we thank God for the ministry in India which is bringing forth great fruit.*** We are so thankful to the Lord for the relationship with Pastor Joshua. God is helping greatly through our friends and partners to help lay the foundation of a new church in India and at the same time we are praying that this same church will be able to build a new Home of Hope where more children can be taken in.

We thank God for the efforts of Pastor Joshua (above praying) and we are so blessed by what is taking place there. Please continue praying for the church that has been greatly blessed by one of our friends. We still need funds to build an additional room to facilitate all that is needed which includes a kitchen.

Please pray that for \$10000 we will be able to help the new Home of Hope to be built in a humble, simple way with the ultimate goal to take in new children (above) with the Lord's help. We greatly appreciate all that you can do to help further this project along.

***Not only is God helping us to build the church and Home of Hope but He is also helping us to continue blessing the widows and pastors in India.*** In this area we help them monthly to substitute some of their needs so they can carry on with the Gospel in these last days before the coming of the Lord. We greatly appreciate your efforts in helping us to sponsor the pastors and national missionaries which enables them to be more

effective since they know the language and culture and can be more fruitful in their own lands. We appreciate your prayers in considering sponsoring them for \$50 per month which helps a family to minister the Gospel in India.

We thank the Lord for your continued prayer and support for us and our family home as we have been blessed to have a team come from Moldova and Transnistria to work alongside us including Pastor Anatol Gurgurov (below, front row right) who oversees the rehabilitation centers, church and Home of Hope in Bender.

We are so thankful for this great man of God to come and invest his precious time with us. ***As you read this, we pray that we will be finalizing the construction and moving into our new home as our lease is up where we are now residing and will need to move.*** We appreciate all of your prayers as we believe the Lord will help us. Please pray that we will be able to also furnish it and then move in. Below we are surrounded by four of our children and four grandchildren.

Thank you so much and may the Lord bless you for all of the things that you have done as we see the Lord Jesus coming very soon. May the Lord help us to be found

faithful and fruitful. From our family to your family's homes in the states, we send our love, prayers and thanks as the Lord's coming approaches.

Love in Christ,

***Ghiorgi, Cristina, Daniel and Timotei Cazacu***
