

May 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We want to say thank you so much for your continued love, prayer and support for the work of the ministry of the Lord Jesus Christ here in Eastern Europe. In spite of all that is going on and the challenges, we pray that the Lord continues to help us reach the lost and comfort those who are in difficulties during our travels. We thank God that all these things are done because of your faithful prayer and support and that you continue loving the Lord Jesus Christ and His great commission.

What a great blessing we have to sponsor a missionary from the Ukraine who is in the war zone called Donetsk where the Russians occupy them. ***The houses have been destroyed and in spite of all these difficult times they continue to work and serve the Lord.*** We had the opportunity to fellowship with our partners in the Ukraine for 3 days hearing words of encouragement and a time of refreshing and blessing (above). They were all blessed by the Lord hearing the messages of encouragement and leaving with great enthusiasm to continue sharing the Word, reaching the lost and planting churches in the areas destroyed by the war. They shared with us that in spite of great difficulties many people are still coming to the Lord. Not having material things, they are now trusting the Lord for daily needs and are very open to the Gospel. ***Please pray that the Lord would help us to continue to make a difference in this part of the world.***

We were able to hold some meetings in the upper mountainous region of Romania. There is an unreached group of people there in a village called Poienesti Deal where we held a meeting (upper right). It was difficult to reach on the roads through the mountains but in spite of that the Lord worked in a wonderful way with people being saved, healed and delivered from different addictions and problems. What a wonderful evening we had and all these things are taking place and accomplished because

of all of your continued involvement of prayer, love and support for what the Lord is doing in being with us in these unreached regions.

It's also a great blessing to share what the Lord is doing in the Republic of Moldova. One of the national missionaries, Ion Leca which you well know from our past newsletters for years still ministers in the town of Puhoi and continues to see people coming to the Lord and

being disciplined even during these challenging times of masks and no masks, meeting outside and not meeting outside. We all have these challenges, but in spite of these people are seeking the Lord as he continues to feed the children and share the Gospel as they gather around the table. They are also building their personal

home and still need funds to finish the project. Please keep them in prayer (above) as they continue to minister and be wonderful servants of the Lord Jesus Christ.

The new church planting in Pepeni, the Republic of Moldova sends greetings to all our friends and partners who are helping them to remodel an old home into a

wonderful facility to meet and fellowship through prayer and giving.

Now it's being used to continue to spread the Gospel in spite of social distancing and we continue to pray that we all do not keep distance between us and the Lord. Pastor Ion sends love to all of you who have helped and invested into this area as a great revival is taking place. Please keep them in prayer as they continue to see the fruits of their labors and our co-laboring.

We have good news from **the Home of Hope project in India that the construction is going forward.** We thank all of you who have continued to help the orphans in Eastern Europe and now co-laboring with Pastor Joshua who works with the orphans in India. We are so thankful for this great opportunity of investing and believing with God's help that when you invest in children, you invest in the future of the nation. The most important thing is sharing the Good News, but also investing in their future. Any prayer and support for the Home of Hope in India would be greatly appreciated.

It was a great blessing to be back at the church in Draguseni, Romania (lower left) where we helped them plant the church many years ago. We wanted to see the fruit of it just as Paul visited the churches in the New Testament see the blessing of the seeds planted coming to fruition. What a great blessing to minister and perform a wedding of young adults who were children when we planted the church and are now moving forward into the next generation.

We also saw Pavel (above) who was saved by the Lord many years ago as some of you will surely remember from past newsletters and **he is still serving the Lord.** Because of friends like you praying and giving, we are all now seeing the blessing of the fruit of our labors and can look forward to the reward of eternity with our Lord and Savior Jesus Christ.

We want to say thank you so much to our dear friends and partners who continue to pray and support us in the work of the Lord here in Eastern Europe and for all the support for us working on our personal home.

We have made some advancement on the building as you can see above and are so very thankful to the Lord for His provision and enabling us to move forward. We love you all and continue to pray for you daily.

Love and prayers in Christ,

Ghiorghi, Cristina, Daniel and Timotei Cazacu
