

February 2022

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We thank God dear brothers and sisters for the new year. As you receive this newsletter, it is already February, so time is flying by. The Lord is still working in spite of all the circumstances. We thank you so very much for your love, prayer and support for the work here in Eastern Europe. We want to share with you some of the highlights of what God is doing through you, here and abroad. May the Lord bless you all!

What a great privilege to travel through the land of Romania, which is our great loves to visit this precious gypsy church and to see the saints excited as we were there helping them to remodel the building and finish the balcony (above). By the grace of God they were able to partially finish but we pray that the Lord would help us to make a difference.

Some gave their life to the Lord and some were healed and delivered from different things of their past. All of the glory and honor goes to the Lord Jesus Christ. We appreciate that you would continue praying that the Lord would help us finalize the balcony and all that needs to be done for \$2500.

As we worked in the Republic of Moldova with a national missionary, the Lord helped us to make an impact on a village. They began working with the children and are in their second year of around 25-30 children coming with their parents in the summer and fall, singing and praising the Lord and hearing their testimonies in a field (above).

Now they are distributing Christmas gifts in this same field even in the snow. Please pray that the Lord would help us to buy land to build a church facility and still be able to minister to the young children. We do believe that they are the hope of the future. With the Lord's help, for \$15000 we can buy a good piece of land, begin on the foundation and roof.

What an honor and privilege to celebrate 20 years from the first time I visited India. Now looking to the past and

working with around 20 pastors in the state of Orisha and Andre Pradesh under the leadership of Pastor Joshua. **God has helped us and blessed us with a beautiful opportunity to build this past year finishing and dedicating a church.** For 20 years they were not able to finish it, but the Lord helped us to finalize the roof, plastering and flooring and then was dedicated (pictured above and top of next page).

Now we are working in a new area. Starting with the foundations. We are so thankful to one of our partners who helped us to sponsor this work of the ministry and it is in progress.

We appreciate your prayers because some of the Hindu radicals stopped the work for some time but by the grace of God and prayers of our faithful friends and partners, we were able to extend the work, so it will be on its way to being finished and dedicated soon.

As the bible says in James 1:27, ***“Pure and undefiled religion is this: to visit orphans and widows in their trouble and to keep oneself unspotted from the world.”*** Our hearts continue to be led in this direction and the Lord has helped us to proceed next to the church which is under construction to find a piece of land. We pray with the Lord’s help to build a new Home of Hope and a home for the widows. We heard there is a great need and we pray to combine the widows and orphans together to help each other and to be part of the local church which is now being built. Please pray along with us that the Lord would help us to purchase this piece of land which will cost, \$25000 including all of the legal fees. The land is very expensive in India as the population grows, the land remains the same. We appreciate your prayers that we can be able to build and expand the work of the ministry here.

We thank the Lord for this precious testimony of a wonderful young man named Joel who came to the Home of Hope and needed help. We thank God because friends like you were willing to invest and help over the

years and as you can see in his testimony, became a servant of the Lord. ***We pray that the Lord would help us to take in more like him and turn them into God’s servants to serve the Lord in a wonderful way because of the influence they had.*** This is the reason we ask you to pray so we can make a difference with the new Home of Hope. Thank you from the bottom of our hearts and may the Lord bless you.

“Praise be to the Lord my Saviour Jesus Christ! I’m privileged to testify how the Lord’s grace is marvelous in my life; I am Prasanth Joel, I was born in a Hindu family that belongs to the Dalit community (called as untouchable according to the Indian caste system). I lost my father and it became very hard for my poor mother to take care of me.

*Thank God, in that situation, I was 10 years old when I was brought into the Home of Hope charitable trust run by Pastor Joshua in the church. I was one of the 12 children who grew up in the Home of Hope, a home of rescue for children like me. With gratitude, thanking Dad (Pastors Joshua & Mom Karuna) and beloved man of God, Ghiorgi of Gospel Ministries International for providing a nice opportunity to have the best education. I have completed my school and college and graduated with a bachelor’s in technology. Called by the Lord for His Kingdom building. I have gone to bible school and completed my Bachelor of Theology and graduate with a Master of Divinity. This is how the gracious Lord led me in the Home of Hope for the last 15 years. And now I am working with Pastor Joshua in the church and ministry field. Thanking God for His sovereign grace on me. **One thing I would say that once I was lost but now, I am found, once I was least (untouchable) but now called for the Royal priesthood by His amazing Grace.** Once again thanks to GMI for being a source of blessing from the Lord in our lives. With gratitude, Prasanth Joel.”*

Thank you all that by the grace of God we spent Christmas and New Year in our new home. We are so very thankful to all of you as you can see that we are getting older, but we pray we will become more impactful for the Lord’s Kingdom. May the Lord help us this year to better prepare ourselves for the coming of the Lord Jesus Christ. We thank you from the bottom of our hearts.

Love and prayers,

Ghiorgi, Cristina, Daniel and Timotei Cazacu
