

May 2017

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

With grateful hearts we come before you and share some of the things the Lord is doing with the help of your prayers and continued financial support. We pray that these reports bless you abundantly!

What a great opportunity the Lord is giving us to reach so many with the Gospel of the Kingdom of God and in preaching the Good News of the Lord Jesus Christ in the town of Marasesti, Romania.

Together with national missionary brother Banu who serves among at least 15 gypsy churches, we were able to hold an evangelistic meeting outside where people were coming and hearing the Gospel. We thank God for the great response when many people repented and received the Lord Jesus Christ as their personal Lord and Savior.

We appreciate you keeping them in prayer as they continue to be discipled and have a need for bibles. There are many, many physical and spiritual needs among the gypsy communities but we thank God for all of you, which enable us to continue sharing the Good News with them.

There is a group of people in our country, which the Lord is working among in a wonderful way. The gypsies are very neglected and very poor, but

the Lord loves them in a wonderful way and we thank God for the opportunity to serve among them. We were invited to go to a church in Focsani, Romania where a different type of Gypsy lives but the Lord worked in a beautiful way even among these precious ones. These gypsies are much better off than those we have spoke about in past newsletters. They are among the "noblest" of the gypsies and are business people who are in trading but some are caught in the bondage of witchcraft.

The Lord's presence during the service was overwhelming, there were many tears and many were hungry to hear the Word of God. The Lord touched them and healed them, setting them free from their life of witchcraft and are saved. **"He has sent Me to heal the brokenhearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed..."** Luke 4:18 We thank the Lord Jesus Christ for His healing power and pray that they will continue growing in Him and walking in His will.

As we ministered in the gypsy community of Patrauti, Romania we learned about a family with 10 children where the mother passed away from cancer and the father remains, caring for the children. On the day of the mother's funeral, the youngest child (3 years old), saw the mother in the casket as

someone came with food for them. He took a piece of the salami and gave it to his mother in the casket. He said, "Mom, please eat so you can be well and come back to take care of us". So often they did not have any food and he thought she was sleeping and needed to eat so she could wake up and take care of them. Many people were

crying when they saw this situation. We greatly appreciate your prayers for them as they currently

live in one room and they need to finish their small home so they can have two rooms, one for boys and one for girls. The

father would sleep in the kitchen. Please pray that the Lord would help us to put in new windows, doors and to finish the inside of the house. Right now they are all living in the kitchen. It is our goal to be able to separate the boys and girls as they grow for their privacy. Initially, we see that \$5000 would help to go towards finishing their house, but any amount provided would be a great blessing to them.

As we traveled to the Republic of Moldova, we started in the town of Draguseni where almost 4 years ago we took brother Paul to the hospital because he was near death. We wrote about his sad situation in the August 2013 newsletter. He was since baptized and you can see how he has improved and is serving in the local church. Brother Paul was truly in need and we thank God

he is now a new creature in Christ and has been transformed. We are so very moved by the joyfulness in his life and we thank God for the fruit of our labors together with you! Please continue praying that our precious brother will continue growing in the Lord and that the Lord would provide all his needs.

We have worked with the national missionary in the Giurgiulesti area where a new church is being planted and last summer we had the great opportunity to share the Gospel with the teachers in the kindergarten. At that time the Lord helped

us to participate in remodeling the kindergarten because the government was unable to help them. ***It opened the door for us to share the Gospel but there was a lack of bibles for them to learn more about the Word of God.*** On this visit bibles were distributed because of those who have a heart to help and we are so very thankful for your continued support and prayer for the bible project. Prayers are being answered for this project with

the help of Heaven's Family, such as the prayers of brother Tiderius (left) from Baslui, Romania. He is a former colonel with the fire

department. A few years ago the Lord healed him from 3 different cancers and he took an early retirement last fall to serve the Lord. He now works with the prisons in Romania and needed bibles for the new converts. Because of your love for these people, we were able to bless him with bibles. Please keep him, the teachers and this vital project in prayer. Bibles cost \$8 each.

We thank the Lord for pastor Anatol Gurgurov and his wife Dina. After helping them to expand their house with an additional room, in Bender Transnistria, you can see now in the picture below they took an additional 4 children and are up to 13 children in their family. Please continue praying for

them as we continue to help three of their oldest that are in the university with their tuition. We appreciate any help to

continue to support them in college and even to help them with their continued needs for clothing, shoes and school supplies for all the children.

We are so very thankful for all of you and your continued support and prayer especially for the upcoming summer camps. As we see the coming of the Lord very, very soon, please keep us in prayer that He will help us all to make a great difference in Eastern Europe and that He would help us to continue to be fruitful and steadfast for God's glory. We love, pray for and appreciate all of you!

Love and prayers in Christ,

Ghiorghi and Cristina Cazacu
