

October 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We want to say thank you so much for your continued prayer, love and support for the work of the ministry here in Romania and even in other nations. We are so blessed to have you as our partners. All of the things that we share with you could not be done without your prayers, love and support. We thank God for all of you and pray that the Lord would help us to be faithful and fruitful until the coming of the Lord Jesus Christ.

What a great privilege and honor to be in the northern part of the Republic of Moldova where we had the privilege to be at the wedding of a young couple. Here in our countries, we are still marrying men and women and we are so privileged that the family has remained as God intended. This is the daughter of Brother Rubin who is the bishop of the northern region of Moldova that we have spoken about many times in our past newsletters. The groom is the son of the dean over the bible school in Corjeuti.

This beautiful couple gave me the privilege to pray over them and to preach at their wedding. We are so very thankful as we continue serving as I am getting to the age of being a father and grandfather figure to the younger generations. What a privilege to officiate the wedding for this beautiful couple. Please continue to pray for them as they begin their life together.

As we continue to serve the Lord among the unreached people groups in the mountainous region of Romania, it is a great blessing to see them coming to the Lord and the fruits of the labors in the place that is called Poienesti. Not only preaching the Gospel but seeing the first person (brother Florin above) baptized in Lacul Babei. ***We thank God for this great privilege to continue to pray, to preach and now to see the fruit of this as people are deciding to follow the Lord and being baptized in water.***

This is an area that is very difficult as people are full of traditional religion but not having a relationship with the Lord Jesus Christ. We thank you for your continued prayer in this area, loving us and helping us to make a difference. These are the fruits of your co-laboring together with us.

As we traveled to the nation of the Republic of Moldova we had the privilege to go to the church which we have been a part of for many years, planting and building in Drochia (above). While there quite a few years ago, I was sharing the Word of God and a

young child that I ministered to named Sorin was touched by the Holy Spirit, cried and repented. His story is very interesting because we had ministered to his mother as she was going to the soothsayers, the monastery and the priests to seek help to receive freedom but she found none. We tried to share with her and pray for her deliverance but at the time she would not accept it. ***But her son was a small child and paid attention at the evangelistic meeting and accepted the Lord.*** It was so very sad that his mom had passed away, not being able to reconcile with the Lord. Even through this her son, after us being at their home, came to the local church we were ministering at and there accepted the Lord.

Recently we shared the story of this wonderful young man named Sorin (above right) with Pastor Edic (left) as the Lord touched him and he made the covenant with the Lord and received the water baptismal. ***We pray for him that now he will be able to go and to be a part of the bible school next year in the northern part of Moldova in Corjeuti.*** He has now finished high school and it is a great privilege to see young men receiving the Lord, being baptized and receiving the call of God to go and serve Him. Please continue to pray for him, the church and the many who have accepted the Lord Jesus Christ.

We would also like to share a story with you about a sister in the same area who was dying and she was crying to the Lord, making a commitment, saying "Lord if you heal me, I will repent and be baptized." It did not take more than one year and she was also part of this same event. We see the people crying to the Lord and God touching them and saving them in these last days in which we live. We pray that you will be encouraged that even through these difficult times and situations, people are calling out to the Name of the Lord Jesus Christ as He said in Isaiah 55:6, ***"Seek the Lord while He may be found, call upon Him while He is near"*** and He is saving them. We thank God for this! We appreciate you praying that true revival will start in these areas and spread in a greater way.

As we traveled through the Republic of Moldova, we were in the church in Alexandreni (top left column) where the Lord has worked in a wonderful way. We thank God that as we preached the Word it brought faith to the people as they repented and it's preparing

them for the coming of the Lord which is the most important thing.

We heard some testimony of a young man who was sharing how he came to the Lord as he listened to a message on an ATV. During the night the Lord Jesus Christ appeared to him in a vision and He said, ***"the heavens are still open for you"***. That young man woke up in the morning, found a bible, started to read without any background or having gone to church. As he was reading, he cried out to the Lord to help him to be delivered from some problems in his life and as he was praying the Lord helped him, saved him and delivered him. What a great blessing it was to see that he had married a young lady from the mission school and now they are working as missionaries. It was so refreshing as we hear that young people are still willing to serve and sacrifice their lives for the Lord.

Please continue to pray for us as we inspire others to start to serve the Lord, to lay aside careers and other things, engaging themselves as they do the Lord's work. We greatly appreciate all of you as we see the unrest in all of the world, we see that Jesus is coming soon. We pray that He will help us all to be faithful, fruitful and watching for His soon return.

We want to say thank you so much as you help us make a difference in the lives of others as we personally continue also working on our family home (above). May the Lord Jesus Christ bless you for all of your love and support.

Love in Christ,

Ghiorghi, Cristina, Daniel and Timotei Cazacu

As the children are starting back to school, please prayerfully consider helping us to provide school supplies and backpacks for those who cannot purchase them such as in the orphanage and the gypsy villages. Any amount is appreciated.
