

May 2022

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

Dear brothers and sisters in Christ, we are writing this newsletter during difficult and sad situations here in this part of the world. It's hard to write this newsletter regarding all that is going on but it is the reality of our days now and the Lord Jesus Christ promised that before His coming we would experience these times in which we live. We thank you for your prayer, love and support over so many years. Because of your involvement, including pastors and individual friends, things have changed. I want to say, ***"thank you all for your wonderful help that we can make a difference in the lives of people who need us the most here."***

We are honored that you have enabled us to welcome the refugees coming from Ukraine and are going west to the United States or other countries. We are at the place where our home has become a transition for them to rest, take a shower and have a peaceful night so they can make the right decisions of where they are going and leaving everything behind. Their work, where they lived, everything that they dreamed they would have and everything that they had in their lives has been left behind. As we look at their situation, it is such a beautiful

comparison to the return of Jesus Christ, we will not be able to take anything and the only thing we can have is the things that we deposit ahead of us in heaven during our time here on earth. It's a great blessing that we have been able to share the Gospel with believers as well as unbelievers in our home as the Lord enabled us to minister to their physical and spiritual needs.

One of the most difficult times is to see how families are separated. We met a sister in Christ who is a pastor's wife. Her name is Elena and her daughter, Eva is 8 years old (left). Her and her husband separated in the western part of Ukraine. Her husband, Zarub, was planting a church in the Kyiv area and remained to serve in the country. We picked them up from the train station, kept them in

our home on their way to meet some friends. While they were with us, her daughter Eva came to me, laid her head on my chest because she was missing her father and needed to be comforted.

She had stayed 8 days in a bunker and couldn't see the light in the Kyiv area. When they arrived, they would run to the windows to look out. There is so much pain and we appreciate your help to make a difference in the lives of people such as these. While we were praying, the mother said she could not believe the help they were receiving from the wonderful Romanian people who are believers to make this transition. We thank God for this opportunity.

We have had over 20 refugees stay in our home at different times. Taking them to the airport and different places, helping them with financial needs, but at the same time the Lord helped us to purchase food to send directly to Ukraine. ***We are so very thankful to our partners who have enabled us to send exactly what they needed.*** We asked our missionary from Ukraine to come to the border where we took them to the city of Suceava, Romania to purchase things for their family's needs, from personal needs to food and all that is needed (above). We thank God that by His grace we have been able to help in this way.

One of the greatest needs is for the orphans. Please pray that the Lord would help us to minister to their needs and make a difference in their lives because they are now without their mothers and fathers.

We are working towards facilitating their needs as they are bringing them to the area of Chernovitz at the border of Romania where there is no war activity. Please keep this in prayer and we appreciate your support for them.

As we continue to work with the nation of India, Pastor Joshua, the national missionaries and

through the online meetings we are still working alongside them to evangelize (below), plant churches and facilities being built.

In April, a church will be dedicated by the grace of God (above) and we want to say thank you so much for your prayer and support. They have requested for another church to be built in India, where 45 people are meeting in a shack and do not have a place where the pastor has ministered for the last 10 years. ***It would be a great impact for them to receive a gift of \$20,000 to finalize a church for them.*** The cost of materials and labor have gone up, but we thank God for His wonderful help.

We want to say thank you so much from the bottom of our hearts for praying for us here in Eastern Europe. We do not know how things will develop but we thank you for staying alongside us with your love prayer and support. From our family to your families, we pray that the Lord would help us to do His will and when He returns, we will hear Him say, "well done thou good and faithful servant." May the Lord help us all to live in such a way. We love you all and may God bless you!

Love in Christ,

Ghiorghi, Cristina, Daniel and Timotei Cazacu
