

March 2022

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We want to say thank you so much, our dear friends and partners for your love, prayer and support for the work of the ministry here and in other nations. Because of you we are able to continue to do these things for the glory and the honor of our Lord Jesus Christ.

What a wonderful blessing to be able to see the doors continuing to open for the Gospel here in Romania among the gypsy groups. The Lord has helped us to be in the church of Slobozia, not far from where we live.

We had been invited to an extended prayer service and ministering to the people there which encouraged

everyone in the times which we live to be able to keep their faith, to be fruitful for the Kingdom of God. We thank the Lord that new people made commitments

as He touched them and healed them. What was a great blessing is that a few months ago when we were there before, a lady was bedridden because of a car accident. While we were staying there in someone's home and praying for her the Lord in His mercy healed her and when we saw her again, she was rejoicing along with her husband. We thank the Lord that He **"...is the same yesterday, today and forever."** Hebrews 13:8.

It is a blessing to continue as the bible says in **James 1:27, "Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world."** It was such a privilege to be able to go visit

Valerica at this time who was the first orphan that we took from the streets as we went back to serve in our country. We helped him for many years before we identified his step-father and mother. Both of his parents have since died because of addiction. He stayed in touch with us as we kept ministering to him and he eventually called us mom and dad.

He recently called that he was having a difficult time, not having any wood for heat or cooking, so Cristina, our two younger children and I visited, taking him some food and wood (left) and spent some wonderful time

with him. We shared special memories, ministered and prayed. **What an honor and blessing that friends like you enable us to bless him with these gifts of food and wood.** Please keep him in your prayers.

As we traveled to the Republic of Moldova during these difficult times of continually taking covid tests, we were able to visit our sister widows. We visited Sister Ana (above), Nadia, Elena and Lydia and were able to be a blessing to them. They are so very thankful to all of our friends and partners who continue to support them with wood for the winter to heat their homes and cook their food. We were also able to bless them with food supplements. One of the most exciting things was we

were able to supply adult diapers to one of the sisters who is almost 90 years old. With tears in her eyes she was saying thank you that she could go to church without feeling ashamed if there was a problem and is now able to worship the Lord together with the brothers and sisters in the Lord.

It is the same situation with sister Nina (above) who is paralyzed and bedridden, she is also very thankful from the bottom of her heart to all of you that make a difference in her life. All because of friends like you we are able to continue to minister to these precious saints. Thank you so very much!

We appreciate your continued prayers for the village of Sengeri. We shared with you in a previous newsletter about the children who gathered together outside in the snow, singing some songs and we were able to give them gifts. They still meet outside (above) even though the snow is gone to worship together. **Please continue to pray that we would be able to purchase a piece of land to build a church in this forgotten village in the Republic of Moldova.** We shared with you that there was some land that could be purchased where we could construct a simple building and these very poor children and their families who live in poverty would have a place to worship.

One of the greatest blessings for us is not only to continue ministering in Eastern Europe but the Lord also helps us to make an impact in the nation of India through the strategy of reaching the nations through the national missionaries. We held another seminar along with one of our special friends, C. R. Oliver (bottom left) who is 86 years old and ministered alongside us via zoom online. We were able to minister to the pastors and some young disciples that were brought to the meeting which is our heart's desire.

We now support 20 full time missionaries because of your prayer and faithful giving. Our prayer is to get to 100 full time national missionaries and planting 50 new churches in that area where people are persecuted and have great needs. Yes, it is a big goal but we have a wonderful great God. We continue working together with Pastor Joshua and the young man Joel, who was part of the Home of Hope there and who is now working and ministering alongside him. It was wonderful to hear Dr. Oliver minister the Word of God and encouraged them to

be able to trust and rely on the Holy Spirit in their ministry. Thank you so very much for your continued prayer for the progress of the new

church that needs to be finished so that it can be dedicated. **We are asking the Lord to help us build a Home of Hope and a home for widows in India.** The land that is needed is around \$25,000 and then the building to be built. We appreciate your prayer, love and support towards these vital projects.

This is the time for us all to continue to press forward together that we can make a difference for the glory of the Lord in these parts of the world. Please continue to pray for us in Eastern Europe as we are sure you are aware of the situation with Russia and Ukraine. **Please pray that the Lord would help us to win the lost at any cost, to remain faithful and fruitful to the end and for Him to help us prepare for His second coming.** From our family to your precious families, dear friends we want to again say thank you for your encouragement and financial support that means so very much to us. May the Lord bless you all!

Love in Christ,

**Ghiorghi, Cristina, Daniel and Timotei Cazacu**
